Kunststoffe international

Your Advertising Medium for all English Speaking Top Executives Worldwide!

Competent specialized
information – exclusively
for top executives

Backing up Exports with Know-How!

Kunststoffe international is published monthly starting January 2007 as the English edition of **Kunststoffe**.

With topical articles from **Kunststoffe**, **Kunststoffe international** competently provides information in English on technical developments and industry trends. One trademark: the exclusive insider reports - they form the profile of the magazine as a trend-setting information carrier for the increasingly global performing plastics processors.

Kunststoffe international is published by Carl Hanser Verlag and is complemented by a website with extensive offers in English at www.kunststoffe-international.com.

Target Group Top Executives

Kunststoffe international is distributed to more than 2,000 notably reputed top executives in the plastics industry worldwide. It will be distributed at important international fairs.
