Please inform to B2B Traffic coordinator file/folder name and issue.

The screenshot shows a web-based FTP client interface. At the top, there's a browser window with the address bar showing 'http://ftpb2b.axesnet.com/index.php'. Below the browser, there's a progress bar indicating '100% Script finished in 0.20 seconds'. The main interface has a header with the 'PUBLICAR B2Bportales' logo and the URL 'ftp3.ftptoyoursite.com'. There are language and skin selection options. Below that, there's a directory tree showing 'root /'. A toolbar contains various actions like 'New dir', 'New file', 'Upload', etc. The main area is a table listing files and directories. The file 'archivo_descarga.pdf' is highlighted in yellow, and a mouse cursor is pointing at it. A green arrow points from this file down to the text below.
